

Life of AGONY

You send in your dilemmas, the stars dish out advice.

This week, **Hyro Da Hero**

Dear Hyro,

I've got a real problem misplacing things, like my phone, wallet, and keys. If it's mine, I'll lose it. How can I make sure I'm not so forgetful?
Hannah, Basingstoke

Hyro: "I've got the same problem! When you find out, tell me! I do it all the time. Who's the person to ask over here? Graham Norton or Jeremy Kyle? We gotta go somewhere and ask. When you find out who to ask, tell me. Because I really don't know!"

Dear Hyro,

One of my friends is always stealing my jokes and passing them off to our group as if they're his. It's beginning to piss me off. What should I do about it? I can't be that guy who says, "That was my joke", like a whinger.
Nicholas, Enfield

Hyro: "You gotta tell him, 'Get your own style! Stop stealing my jokes!'. Confront him about the situation and if he does it next time, you gotta drop that friend, because you don't want nobody cutting in and taking your style. You are who you are, and if they can't respect that, you gotta move on. They're not respecting you, and if a friend doesn't respect you, then they're not really your friend."

Dear Hyro,

I've somehow picked up a really stupid nickname among people at school, and even among my best mates. I've got a much better name for myself - Captain Awesome - but how do I get everyone to start calling me it? I can't exactly just come out and ask them, as they'll laugh at me.
James, Nottingham

Hyro: "Yeah, man. If you feel like you're Captain Awesome, then you have to walk around like Captain Awesome. Always say 'Awesome!' and be like, 'Hey, you know I'm a captain, right? I'm a captain!'. You've got to subliminally drop what you want and plant it in people's heads so they can say it back to you. That's why people call me the Hero - because I always say it to people's faces."

"Who's the guy to ask over here? Jeremy Kyle? Let's see him!"

NEW TATTOOS! MORE TORNADOES! MEETING WRESTLERS!

PARAMORE WATCH!

After January's news that the trio were looking for a record producer, things have gone quiet. So what have they been up to? K! grabbed the binoculars for a peek...

1 THEY'VE BEEN PLOTTING NEW INK ...and taking inspiration from fans, too. Hayley recently popped down to the annual Musink festival in California, where shows from the likes of Alkaline Trio, Against Me! and New Found Glory drowned out the buzz of tattoo artists' machines, and stumbled upon a dedicated Paramore fan. How dedicated? Well, she'd had a ticket stub to a Paramore show permanently inked to her forearm. "I secretly want the same tattoo, but that might be weird," the singer mused. We're sure there's an easier way for Hayley to get into her own shows...

2 THEY'VE BEEN DODGING TORNADOES, AGAIN It wasn't long ago that the band were holed up in Hayley's basement weathering a storm, and last week, bassist Jeremy Davis came awfully close to one of the windy bastards currently causing havoc across America. And to think that we thought twisters got no worse than that Steven Spielberg film in the '90s. Millets have got a good sale on wellies, though, guys. That's how tornadoes work, yeah?

3 THEY'VE BEEN WORKING ON THE NEW ALBUM Having safely returned from their hunt for a producer in Los Angeles last month, our trio have been busy continuing work on their next record! "Thought I'd let you know, right now we're working on my new favourite chorus," Hayley tweeted just the other day. Either that means they're recording a cover of Don't Stop Believin', or this next album is going to be amazing.

4 THEY'VE BEEN HANGING OUT WITH WRESTLERS Hayley and WWE Superstar CM Punk go way back (well, at least a year, when a photo of her, him, NFG and, er, one of the Jonas Brothers cropped up), and the band's recent downtime has given the two a chance to hang out some more. Like the time Ms Williams went to watch weekly event WWE Raw being filmed in Tennessee, resulting in this here picture. Mr Punk even crashes at Hayley's boyfriend Chad Gilbert's when he's in town!

Win!

COME BACK NEXT WEEK FOR THE ANSWERS!
